

March 24, 2015

Dear Ellendale Parents and Students,

We are excited to announce plans for our very first **SPIKE'S Hike!** This fun event will take place on **Friday, April 17,** during the students' LAMPS class. Students will hike on the walking trail behind the school. We'll have great music and spin the wheel activities. Students may bring water bottles to enjoy. Parents are welcome to come join in the fun!

Our goal is for the students to have an active and fun time while raising money to purchase technology at Ellendale. We are so excited about this event because 100% of the funds raised will stay at our school!

If we raise \$25,000, we can purchase 25 new laptops and a cart. We would reach our goal if each student raises \$45.00.

Prizes will be awarded for "climbing" these famous mountain peaks:

Mt. LeConte	\$5	Spike's Hike rubber bracelet
Mt. Hood	\$ 10	coupon for cafeteria treat
Mt. Adams	\$ 15	wear a hat or pajamas to school
Mt. Rainier	\$ 25	movie party in cafeteria
Mt. McKinley	\$ 50	dance party in gym
Mt. Everest	\$100+	enjoy a Box Lunch picnic with Dr. McKnight and/or Ms. Rhodes

As students reach each level, their names will be written on the peaks in the cafeteria hallway. You will receive a prize for each peak you climb. Prizes will also be awarded to the top sellers.

We will have 3 pledge money turn-in periods: April 2, April 10, and April 13-17.

How HIGH can YOU climb?
